M P Publishing Limited. Paperback. Book Condition: new. BRAND NEW, Open Me, Sunshine O'Donnell, Sunshine O'Donnells arresting debut draws us into the secret, alluring world of professional mourners, where women are trained extensively and paid handsomely to cry at the funerals of complete strangers. At the center of the story is Memone of the few remaining American girls in this illegal profession, who will eventually become a renowned wailer after enduring her mothers ancient, emotionally abusive, cult-like training rituals. But Mems infamy brings with it unwanted attention, from both the families of the deceased and the authorities. Interweaving poetic prose and artifacts spanning six thousand years and seven continents, Open Me is an utterly original novel about mothers and daughters, dark underworlds, and the play between fact and fiction.
