

The F-Word (Hardback)

Filesize: 8.49 MB

Reviews

The book is great and fantastic. It is written in straightforward words and phrases rather than difficult to understand. You won't really feel monotony at any time of your respective time (that's what catalogues are for regarding should you question me).

(Payton Miller)

THE F-WORD (HARDBACK)

DOWNLOAD

Oxford University Press Inc, United States, 2009. Hardback. Book Condition: New. 3rd Revised edition. 206 x 140 mm. Language: English . Brand New Book. We all know what *frak*, popularized by television's cult hit *Battlestar Galactica*, really means. But what about *feck*? Or *ferkin*? Or *foul-as* in *FUBAR*, or *Fouled Up Beyond All Recognition*? In a thoroughly updated edition of *The F-Word*, Jesse Sheidlower offers a rich, revealing look at the f-bomb and its illimitable uses. Since the fifteenth century, no other word has been adapted, interpreted, euphemized, censored, and shouted with as much ardor or force; imagine Dick Cheney telling Democratic Senator Patrick Leahy to go damn himself on the Senate floor—it doesn't have quite the same impact as what was really said. Sheidlower cites this and other notorious examples throughout history, from the satiric sixteenth-century poetry of James Cranstoun to the bawdy parodies of Lord Rochester in the seventeenth century, to more recent uses by Ernest Hemingway, Jack Kerouac, Ann Sexton, Norman Mailer, Liz Phair, Anthony Bourdain, Junot Diaz, Jenna Jameson, Amy Winehouse, Jon Stewart, and Bono (whose use of the word at the Grammys nearly got him fined by the FCC). Collectively, these references and the more than one hundred new entries they illustrate double the size of *The F-Word* since its previous edition. Thousands of added quotations come from newly available electronic databases and the resources of the OED, expanding the range of quotations to cover British, Canadian, Australian, New Zealand, Irish, and South African uses in addition to American ones. Thus we learn why a fugly must hone his or her sense of humor, why Canadian Prime Minister Pierre Trudeau muttered fuddle duddle in the Commons, and why Fanny Adams is so sweet. A fascinating introductory essay explores the word's history,...
