Macmillan Education. Paperback. Book Condition: new. BRAND NEW, Way ahead Reader: 1B: Robots, Keith Gaines, "Way ahead" readers consolidate and develop the reading skills acquired through the "Way Ahead" course books. There are two readers at each level, and these are graded to ensure that children not only practice reading at an appropriate level of difficulty, but also gain confidence in approaching new texts. Linguistic structures have been tightly controlled to match the language of the course, and at the same time, known vocabulary is reinforced and extended. All the texts in the series contain additional activities for class or individual use.
