Everyone has lost someone they loved and felt the pain and emptiness that comes with that profound loss. After Nancy Williams lost the man she fell in love with as a teenager to a brief, harsh illness, she sought a way to ease the pain of bereavement and find the strength to move forward with life. She found solace in writing poetry and letting out her emotions through words, and now, in *A Return from Grief: Lessons of the Geese*, Nancy will take you through her personal journey of loss and share her emergence from grief and into living once again. With honest, genuine emotion, Nancy fills the pages of this book with the lessons she has learned from living through the death of her beloved former husband, and offers solace and comfort to those enduring similar experiences. Join Nancy Williams on her journey to recovery, see how we learn to live with grief-how it lightens, even if it never goes away-and find your own Return from Grief.
