

## Lexi and Marie Curie: Saving Lives in World War I

By Marian Keen

Life Journey Publishing, United States, 2014. Paperback. Book Condition: New. Jody Dias, Wendy Watson (illustrator). 2nd. 226 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This is a fascinating and unusual book for readers in intermediate grades. Lexi and Marie Curie introduces readers to the amazing story of scientist Marie Curie, whose isolation of radium, among other discoveries, led to her being awarded the Nobel Prize in both Physics and Chemistry. Shut out of much of the formal scientific academy, Marie forges her own path, one that paves the way for her daughters and for generations of girls and women whose curiosity is sparked by STEM - science, technology, engineering and math. Author Marian Keen's eye for detail draws the reader into Marie Curie's life, her triumphs and disappointments. Published to coincide with the centenary of the start of the Great War, the book brings readers back to the tremendous upheaval of this terrible conflict. Readers are treated to details about the roles of animals at the front, the challenges of cooking when food is scarce, and the important contribution of women nurses in the war. The story focuses on Marie Curie's...
