The book is great and fantastic. It is written in straightforward words and phrases rather than difficult to understand. You won't really feel monotony at any time of your respective time (that's what catalogues are for regarding should you question me).

Bloomsbury Publishing PLC. Paperback. Book Condition: new. BRAND NEW, Five Finger Discount, Helene Stapinski, 'The night my grandfather tried to kill us, I was five years old, the age I stopped believing in Santa Claus ' Helene Stapinski had been playing in the family's apartment above the Majestic Tavern in Jersey City when, in the bar downstairs, Grandpa - an ex-con and armed robber - pointed his loaded gun and bragged he had a bullet for each of them. But news travelled fast and within minutes Helene was watching a handcuffed Grandpa go to jail for the last time. The Stapinski's have a knack for breaking the law. Helene's daily bread was stolen by her father from the cold storage company where he worked and the books on her shelves were swiped from the local bookbinding company. In her own generation, her first cousin embezzled a quarter of a million dollars, tearing the clan apart. All these stories are part of Helene's unbelievable heritage and of FIVE FINGER DISCOUNT, a raucous and heartbreaking tale.
