Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Adventures of Mister is about a tiger striped cat who found himself homeless and alone. He wandered for a time before finding a house with some friendly humans and a couple of female tabby cats. It follows his journey from observing the humans from a safe position in the bushes, to moving into the garage to finally becoming a member of the family. It chronicles his transition from a reluctant stray to a full fledged member of a loving family. Mister is a Feline Aids (FIV) positive cat who moved in with two humans and their two female senior kitties. They all lived together in a loving, often chaotic, but always symbiotic relationship, showing FIV cats can live a long and happy life when given the chance. This book takes us through his journey, from living on the streets to playing cute and becoming a member of the household, to his devastating news and the painful decision his humans were faced with. In this first installment of the Adventures of Mister he writes about the many challenges he faces, including many firsts, with humor and bravery, willing to protect his new family with every ounce of his feline strength and catitude.
