Brand New Book ***** Print on Demand *****.LOGJAM AT THE GATES OF HEAVEN is book one of the series, The Siddhana Chronicles. Llewellyn Warlow, Llew, to his friends, was offered the rebirth of his choice if he would join Mara, Queen of the Underworld, in her invasion of the fourth realm which she calls the slave realm but which proves to be the human realm. As punishment when he declines, she inflicts upon him a near-fatal brain haemorrhage. In the midst of it Llew recalls a meditation technique he learned thirty years earlier, and not only survives but discovers he now has ASP, astral sensory perception. This leads to the eventual discovery and return to life, of the most advanced yogi who ever lived, The Siddha, known to Llew as Siddhu. Llew learns that Queen Mara's mission is to conquer and rule both Earth and Heaven on behalf of the Hell Realms. Under her patient attack, the cycle of reincarnation is breaking down and Heaven discovers they have a problem which only the great master can solve. Trouble is they banished him 500 years ago. Meet also the seductress Magella, Mara's earthly avatar, until she is freed by Siddhu and Llew. Learn their backstories and what Mara is doing with a former sheep station in outback Australia. This time her plan is truly diabolical and close to launch. The Siddhana Chronicles relate the story of three immortals, Mara, Magella and Siddhu, whose love/hate triangle over millennia has led to the greatest crisis Heaven and humanity have ever faced, leaving millions of worthy souls missing out on their proper rebirth, logjammed outside the Pearly Gates, with no one to process them in the afterlife....
