LUATH PRESS LTD, United Kingdom, 2014. Paperback. Book Condition: New. 2nd Revised edition. 232 x 154 mm. Language: English . Brand New Book. Alan Rae was the physio at Hearts for over 20 years. He joined the club in 1982, languishing in the First Division and looking at the prospect of part time football. In that time he has seen 8 managers come and go as well as 3 owners and too many players to mention. Six years after leaving The Jambos he has penned a memoir of his time at Hearts. He has anecdotes about home games, European games and even pre and post season tours abroad. Woven into these memories is the medical knowledge of a true professional, from players suffering career threatening injuries to managers for whom the pain of losing is physical as well as mental.
