At the start of his career, Marc Allen never took a business course; he simply made what he calls a sloppy, disorganized, lazy, and intuitive search through the books of Western magic. There he found the tools that took him from being a poverty case to a multimillionaire and helped him create one of the most successful independent publishers in the country. In *The Magical Path*, he presents these tools effective, easy-to-apply practices, including affirmation, visualization, and guided meditation that can change the course of readers lives in miraculous ways, as they did his. Because these tools are so simple and powerful, Allen calls them magic. But far from esoteric, they are tools anyone can use to achieve their dreams and goals. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
