iUniverse, United States, 2006. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.THE PAST Back at the University of Berkeley, the commitment to dedicate his life to missionary work seems far too great of a challenge for him so he flees as fast and as furious as he can away from the two things that he truly needs-a heart dedicated to God, and a heart dedicated to the only woman he has ever truly loved. THE PRESENT After a six-year split, former college sweethearts Eric Jordan and Sarah Knowles reunite in the most unexpected of places-the dark recesses of a broken-down elevator in an abandoned office building. Passion reignites Eric s spirit, making him determined to win back the affections of both God and Sarah. But current trials and tribulations in their hometown of Oaktown, California, severely test the couple s renewed commitment to each other. THE FUTURE Despite the pain and heartbreak of Eric s past rejection, Sarah accepts what she perceives as God s will for her life and succumbs to Eric s sincere remorse and charismatic charms. But is this the right thing to do after having her heart ripped apart by the only man she s ever truly loved? Should she surrender herself-mind, body, and spirit-yet again?.
