The book is fantastic and great. It is definitely basic but shocks in the 50 percent in the pdf. Its been printed in an remarkably basic way and it is just soon after i finished reading this publication in which really changed me, change the way i believe.

DESERTS AND GARDENS: POEMS IN ENGLISH

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Collection of 61, story telling poems, with dramatic conflicts and coincidences, very strange and unexpected conclusion on each subject of love war, love for war and war for love. Love, all what we do is for our love, and everything starts and ends on the basis of love, on account of love, and on the expectation of love. Love for a man or for a woman, love for money and wealth to accumulate and add, love for travel, love to conquer, love to save oneself and love to save others, love to fight and win. Love for peace and love for the real love. All love in the world create war, and all our war is for love of any sort, within. We create war for peace and we fight against war for peace, the contrast. But it s love, either for peace or war, that exists, sustains and keeps on living with every individual, visible and invisible. Love can be made visible, but the real essence of love can be enjoyed, when it is invisible, fully filled within our mind, not seen to others as a fragrant breeze that binds us in our solitude, even in crowd. The Deserts Gardens, both are the two sides of our life that can be created beautifully with our imagination. There is no desert as desert and no garden as garden in our life, if we don t know how to enjoy both with our imaginative power. It is our passion, love and imagination that make things beautiful or filthy as per our own vision. One can convert Desert in to Garden and a Garden in to Desert, using or misusing...
