See, time will take you far from here; you're growing way too fast. All I want is Mommy time to make the moments last. Something we'll remember so that come some far-off day, you'll know how much I loved you 'cause we took the time to play. From inspirational novelist Karen Kingsbury comes this delightful children's book about Moms and children spending precious time together. Whether it's the zoo, park, a movie, or simply snuggling down to read about such adventures --- being together is what's required for a 'Mommy Date.' This poetic picture book reminds little ones of fun they've had, and fun ahead, and brings home the bottom line: spending time together is what Mommy's really want!.
