Profile Books Ltd. Paperback. Book Condition: new. BRAND NEW, Altered State: The Story of Ecstasy Culture and Acid House, Matthew Collin, John Godfrey, From its first publication in 1997, Altered State established itself as the definitive text on Ecstasy and dance culture. This new edition sees Matthew Collin cast a fresh eye on the heady events of the acid house 'Summer of Love' and the rave scene's euphoric escalation into commercial excess as MDMA became a mass-market narcotic. Altered State is the best-selling book on Ecstasy culture, using a cast of memorable characters to track the origins of the scene and its drug through psychedelic subcults, underground gay discos and the Balearic paradise of Ibiza, to the point where Tony Blair was using an Ecstasy anthem as an election campaign song. Altered State critically examines the ideologies and myths of the scene, documenting the criminal underside to the blissed-out image, shedding new light on the social history of the most spectacular youth movement of the twentieth century.
