A BOOK TO BE BURNED A BOOK TO BE BURNED A CONTEMPORARY EXPANSION OF THE ANCIENT FLOOD STORY EXAMINING THE NATURE OF COMPETING WILLS

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 74 pages. Dimensions: 9.0in. x 6.0in. x 0.2in. How is it that we believe our creations to be our creator? During his last day as a carnie, Xavier is haunted by ravens that have made roost upon his trailer. Ignoring the omen of things to come, he overcomes a lightning strike, only to find his friends have been swept away in a powerful and sublime flood. As he struggles to understand his predicament, he is harangued by Chumba, his alter-ego, a Luchador who consumes his personality and forces him to do his vile bidding. Xavier's Airstream carries him to an undreamt destination. He had burned the book inside of himself. Welcome to the Tao of Xavier, and the Terror of Chumba, where all of life is a carnival, and wisdom and enlightenment are found in the most interesting of places. A colorful cast speaks fluent Spanglish and White Trashish to birth this alternate reality of Airstream trailers and carnies in a cold shower of awakening, a street level expose of the nature of our souls, and a Gestalt deprogramming of our knowledge of the monetary system, mind control, predictive programming, propaganda, disinformation, subliminals, and of the deepest manipulative strategies in use. This book burning is presented in the genres of literary fiction and dark fantasy, examining the nature of competing Wills and higher rebellion, sacred geometry, numerology, black magic, neurolinguistic programming, trance induction, reason paralyzing language, conditioning, and hypnosis. Casually identifying the source of our...
