

Get Through Radiology for MRCP Part 2

By Gurmit Singh, Hugh Montgomery

Royal Society of Medicine Press Ltd. Paperback. Book Condition: new. BRAND NEW, Get Through Radiology for MRCP Part 2, Gurmit Singh, Hugh Montgomery, For the MRCP Part 2 exam, candidates need to be able to interpret radiological images of commonly encountered conditions. They also increasingly need to be able to answer other questions about the condition shown in the image, for example treatment and prognosis. This book has been designed to meet that need. It is divided into five sections: chest, abdomen, nervous system, cardiovascular system and musculoskeletal system. Each condition described is illustrated by one or two high quality radiological images and then provides a concise but holistic view of the condition, with all the important aspects of disease that the candidate will be expected to know. This information is supplemented by a short series of example exam questions.
