In the dusk and the starlight we lingered, To list to the whippoorwill s strain, Where the soft air was sweet with the fragrance Of the lovely wild roses of Maine. The birches still shade the old pathway, The moonlight still whitens the shore. Birds and flowers fill with music and beauty The places that know us no more. And the trees twine their branches together. Where we walked in the green shady lane And you gathered for me the wild roses, The lovely wild roses of Maine.
