Whenever you poke your nose round the door, pack courage, and leave fear at home. The Ghost Drum is a cruel fairy-tale of shamans, shape-shifters, magic-battles, slaves and kings, set against darkness, Arctic cold, starlight and the brilliant jewel colours of folk-art. On a Midwinter night, a shaman demands a new-born baby girl from her slave-mother - and carries the child away in a hut that stalks across the snow on chicken legs. The new-born son of the Czar is imprisoned, for life, in a tiny room at the top of a tall tower - because the Czar is afraid his son might outdo him. The slave's daughter, and the princeling, both long for the freedom to live in their own way, but their search for freedom earns them vicious enemies - the ruthless Princess Margareta, and Kuzma, the bear-shaman. Can the slave's daughter and the prince survive? A classic children's novel, winner of the prestigious Carnegie Medal, now available again in paperback.
