This is the incredible true story of the unbreakable bond forged between Treo, the world's most highly decorated dog, and his handler Sgt. Dave Heyhoe, whilst doing the most dangerous job on earth - sniffing out bombs in Afghanistan. Dave, known to his fellow soldiers as the Dog Whisperer and Treo were sent forwards, alone and unprotected, to detect the Taliban's murderous IEDs. Soon soldiers refused to patrol certain areas unless accompanied by Treo, and the pressure on the duo became ever more intense. Dave and Treo would realise they needed each other more than they could have ever imagined. It is a story full of tragedy and triumph, pathos and laughter, as one man and his best friend dare all to ensure that no lives are lost.

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You won't feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
